敬啟者：

偽造或修改證書可遭刑事檢控

本會在近期發現有不法之徒偽造或修改證書，並使用虛假的二維碼連結至高仿的驗證網頁。

本會簽發的證書均被法律保護和約束，除了被香港特區政府定期審查，亦恆常收到境外海關和進口商的要求辨別真偽。如發現任何問題，本會即按程序向政府有關部門（包括警務處和海關）備案調查，違法者將被檢控。

謝謝關注！

Forgery or Manipulation of Certificates is Criminal Offense

To whom It May Concern

The Chamber has recently found some forged certificates with QR codes linking to a highly imitated verification webpage.

Please note that certificates issued by the Chamber are protected and bound by law. In addition to regular inspection by the Hong Kong SAR Government, we receive requests for authentication frequently from overseas customs and importers. If encountering any suspected situations, we will report the cases immediately to relevant government departments, including the Police and Customs for investigation. Offenders will be liable for prosecution.

Thank you for your attention.
